

**Help support and improve
California's Reentry Programs**

Volunteer for a Reentry Program Research Study

The purpose of the study is to identify elements of reentry programs formerly incarcerated individuals found useful in obtaining employment as reported by reentry program stakeholders

You may be eligible to participate in the study if you are associated with a reentry program with direct contact with formerly incarcerated individuals who have obtained employment

All information is confidential, and your name will not be associated with the study

To participate or for more information, please contact

Bill Curtis, Ed.D. Candidate, American College of Education
